Journey

May 2018

Sharing My Journey—

I have not written in a while, so I have a lot to share. At the first of the year, I led worship at the Potter's House in Tarboro, NC. Danny Byrd was preaching the revival. The one thing that stood out was the way the people worshiped Jesus with abandonment!

My journey then took John Hobbs and I to East Stone Gap UMC, East Stone Gap, VA. I always enjoy staying with Mark and Kim and her mom, Judy Knight. The church is filled with some of our very close friends. We've seen God work in their lives through the years. We had prayed for one particular young woman who had not been able to have children. She had one child. Again, we prayed for her and now there before us was her second child. Wow! The miracle of God!

In February, Kim and I went back to the Potter's House in Tarboro and led worship. There was such freedom in worship! Mamie Parker ministered a fresh and alive Word. One of the ministers shared with us that we would be ministering in many new vineyards, places of harvest for souls.

February also included our yearly trip to the DC area to lead worship at the Sockless Nerds Retreat. It always amazes me the questions that are raised and how hungry the folks are to know the truth. Thanks, David and Joy, for opening your home and hearts to all of us!

We always have a great time at the Hobie Brown home Bible Study in Washington, NC. The meeting in March was one of the best! We shared in a sweet time of Communion. We saw people healed and refreshed in the Lord, and even lives miraculously saved.

John and I ministered in Halifax, PA at Halifax UMC. The folks there were very hungry to hear about the baptism in the Holy Spirit and ready to receive. The church was truly in revival like the early church of Acts.

In April, we had a wonderful weekend in the Outer Banks of North Carolina. On Friday night, we ministered in worship at Liberty Christian Fellowship, Kill Devil Hills. Following the worship, Lisa Hobbs shared with us from the Word. Lisa has experienced healing of rheumatoid arthritis during a time of worship at Bethel Church in Redding, CA where their daughter is in school. On Saturday, Kim and I were involved with a Women's Conference at the historic Corolla Church with Jim and Candy Southern. I led worship and Kim spoke. She knocked it out of the park! The ladies received quite a refreshing. Some received freedom and healing. On Sunday, we again led the worship with Pastor Jim speaking an awesome word. What an awesome place of ministry! People come from all over the world; you never know just who may be in the congregation. It was quite an unexpected God incidence to encounter some friends from Pennsylvania who had been in a CFO Camp with me years earlier! And then, to end out our weekend, we enjoyed a special prayer and praise

time with the people of the Corolla Church. What an awesome weekend! Thank you, special friends, Jim and Candy, for such an awesome time! What an awesome time, Jesus, for the time with You!

Also in April, John and I ministered at North East UMC, North East, MD It was quite different this year, with John and I only ministering in music and preaching during the Sunday night service. Others ministered on Monday through Wednesday evening. We did, however, share a few moments of worship preparation each night before the service and we ministered at the altar each night. Praying for people was awesome! We enjoyed a time of morning Bible Study, too, that is always special. We love this family of believers! A highlight of my time at North East was just being with people we love and hearing what's happening in their lives.

Another highlight of our time in North East was taking a trip to a nearby hospital to see "Connie" and Jo-Ann Cohen, dear minister friends we first met in North East years ago. "Connie" was experiencing some health problems so we went to encourage them. Their son, Jack, was one of the ministers during our revival meeting. I remembered years earlier when Jack was a youth. I was leading the youth one weekend when Jack got in the chair in the middle of the group and we laid hands on him to receive the baptism in Holy Spirit. He was filled immediately and began to speak in tongues. What a blessing to now see and hear his maturity in Christ as he answered the call of ministry himself and beautifully serves a nearby congregation!

I'll end my sharing for now with a special time in Morehead, NC. We were invited to share in a Memorial Service for our dear friend Fay Nelson's sister. The Memorial Service was held at The Sanitary Fish Market & Restaurant on the Sound. Fay's sister loved this place; it held great memories for the family. I sang, with no music, *In The Garden* and *Amazing Grace*. John Hobbs shared a very simple yet profound gospel message to those gathered who needed the Lord's comfort and blessing for their lives. We loved on each other, rejoiced and wept for a life lived. What a sweet time to be with you, Fay, and your precious family! And thank you for your gracious hospitality, Fay & Cliff Ann!

On a personal note, I'd just like to praise the Lord for our first grandson, Noah. We attended his graduation from High School this past weekend. How blessed we are to see the awesome young man you have become and pray for God's continued guidance and blessing on your life in the days ahead! We've also experienced special sweet times with our children and other grandchildren! They are each so special!!!

How rich we are beyond measure to experience the goodness of God all along life's journey! How blessed we are to share our journey with so many of you! Hope to see you soon— *Kenny*
