A Time To Build

"Go up into the mountains and bring down timber to build my house, so that I might take pleasure in it and be honored," says the LORD (Haggai 1:8)

As we've been commissioned, we have been working on building here at Yeshua's Vineyard. There are many ways to build. It is a time of preparation for the days ahead and all God wants to do in this place.

In April, Kenny and I gathered with some of the saints in Washington, NC at the home of Hobie and Barbara Brown for a sweet time of fellowship, worship, and study. The Lord encouraged us as we looked through the Bible noting how God worked in and through various people in various times throughout history to accomplish His purposes. Even as Queen Esther was told, ". . . *And who knows but that you have come to your royal position for such a time as this?*" we, too, can know that is true for our lives. And we are a *chosen people, a royal priesthood*. . . (1 Peter 2:9). We are all *co-laborers together with God*. So we would encourage you also, *Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.*

KEYNOTES FROM KEVIN:

It is exciting to see what's happening through the spirit's eyes. The eyes of the Lord are moving to and fro on a search, the search for His anointed ones. We are building at Yeshua's Vineyard in the natural and He is also building in our hearts and lives. A Time To Build, that's the word being spoken around here at the Vineyard. Building begins with making ready the ground. The ground of our hearts is being made ready and prepared every day. Our souls are being shaped and formed. Sometimes our hearts feel like they're being plowed up, but that's only because He is preparing a mansion (our hearts) for Jesus to dwell in. As we look around, the vineyard is being prepared for a major work, the likes of which we have yet to experience. May He fill our hearts with those shining new structures made just for Him in which He'll live and dwell as the King of kings and the Lord of lords, and may the Lord come quickly!

I'm really excited to be on staff here at the Vineyard. I know God is building something new in my life and here!

Much Love, Kevin

Kenny's Journal—The Nerd Retreat was held in April in Fall's Church, VA at the home of Joy and David Peyton. It was the first year for us without John Hobbs. I guess I could have worn no socks to honor John, but that wasn't me! Kim and I led worship, and a precious couple, Mark and Grace Andringa, were our speakers. Chuck Cook led us in beautiful prayer and healing ministry. Kim and I had gone by to pick up a dear friend who was there for the first time without her husband since he had gone to be with Jesus. So all our hearts were grieving for Johnny and for Joey, but also rejoicing for them being in heaven. Chuck led us in a time of being still and listening for the voice of the Lord. The Andringas shared how they had heard the Lord ask them to leave Falls Church and move to Chapel Hill, NC. There they found open doors to put up a ministry tent on the campus of UNC for students, faculty, and visitors to come by for prayer or to share things that were on their hearts. All who were there had such a tender heart to minister to each other. We each had specific words, scriptures, and prayers for one another. We had testimonies to honor John Hobbs and Joey.

Also in April, we had a wonderful time at Hobie and Barbara Brown's house. Our theme for the night was "For such a time as this," and that is just what it was! Our worship was so powerful as we experienced the presence of the Lord! Hobie's son, Patrick, was visiting from Ohio, and was there to surprise his brother, Bart. The two of them did a Christian Rap about Jesus. Oh what fun—so much like their dad! Kim shared through the word about God having His people in the right time and the right place and how He's still doing that today. We are each here "for such a time as this!" We always love going to Hobie and Barbara's and praying with the folks there. Love you guys!

In our fellowship here at Yeshua's Vineyard, we celebrated Purim, the time when Esther went before the King and her people were delivered. We had a party at church to celebrate the deliverance of the Jewish people and each of us actually being delivered by the blood of Jesus Christ on Calvary's cross. We each wore masks (as they celebrate this way in Israel) to represent that even when we cannot see the Lord working, He is always working behind the scenes. What a celebration!

THANK YOU to all our PRISMS (Partners Related In Sewing Ministry Seeds) as you are so faithful in your giving to support this ministry and in your prayers for and with us. Especially we want to thank those of you who have given toward our Building Project!!! We are moving forward because of your generosity! A letter with more details will follow this newsletter.

Blessings!
